2014-15 ON-CAMPUS INTERVIEWS AND INFORMATION SESSIONS

- **Fall 2014 Recruiting:** Reservations of Next Day and Room Only Reservations are from Career Day to September 19th. This is followed by the Pre-select Process, making resume review, candidate selection and scheduling easy for employers and students.
- **Spring 2015 Recruiting:** Next Day reservations are available on February 11th– 13th, followed by the Pre-select Process for the rest of the season.
- **Information Sessions:** Many companies use these meetings to kick off their on-campus interviewing event. Information sessions provide a convenient way of presenting information to students who have been selected for interviews. It also provides a way to informally recruit other interested students and fill any vacant slots on the interview schedule.
